

1

SIMPLE & STYLIZED / Alternative 1

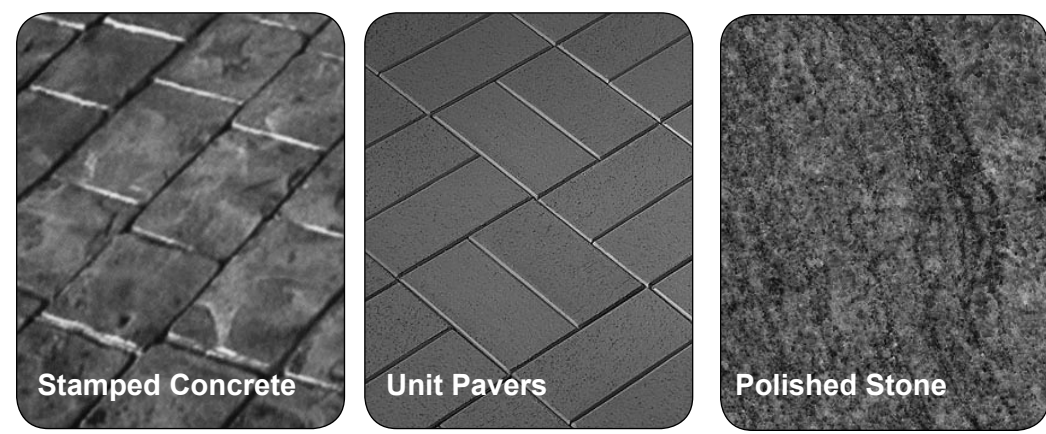

DESIGN THEME DESCRIPTION

This theme is characterized by simple geometric forms and patterns, unembellished furnishings and smooth surfaces. The design focuses on creating a 'timeless' image that does not borrow from historic or cultural precedents. This design direction allows for Muskego to establish a unique 'brand.'

'HISTORIC MAIN STREET' / Alternative 2

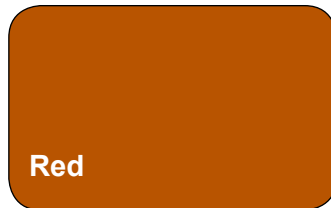

DESIGN THEME DESCRIPTION

This theme borrows inspiration from historic main streets that typically represent the core commercial and residential districts of a community. This theme makes use of historic acorn- or carriage-style lighting and brick pavements.

RUSTIC & NATURE-INSPIRED / Alternative 3

DESIGN THEME DESCRIPTION

This theme is characterized by rustic and natural patterns and materials, such as flagstone and ashlar-patterns of pavement. Lighting and furnishings aim to invoke prairie- or nature-inspired design through colors, surfaces and design styles.

SHORELAND / *Alternative 4*

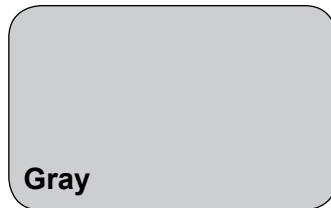

DESIGN THEME DESCRIPTION

This theme draws inspiration from the lake resources that characterize the Muskego area. Colors, materials and pavement patterns are associated with 'nautical' imagery and cultural offerings such as water-based recreation.
